

Supplemental Type Approval

Number: SH94-13

This approval is issued to:

Paravion Technology Inc
2001 Airway Avenue
Fort Collins, Colorado
U.S.A. 80524

Issue No.: 2

Approval Date: 1994 May 11

Issue Date: 1994 July 4

Responsible Region:

Western

Aircraft/Engine Type or Model:

Eurocopter AS350B, B1, B2, BA, C, D, D1

Canadian Type Approval or Equivalent:

H-83

Description or Type Design Change:

Installation of a Swivel Mount Arm Monitor Mount in accordance with FAA STC SR00082DE

Installation/Operating Data,
Required Equipment
and Limitations:

Installation of the Swivel Mount Arm Monitor Mount in the forward Cabin Instrument Console Support, at either the far left or far right side for a Flat Design Video Monitor, is to be done in accordance with Paravion Technology Inc. Master Drawing List Report DL-350MM-110, Rev N/C, dated January 19, 1994, or later approved revision.

This approval is for the swivel mount only. The monitor installation and any other associated equipment must be DoT approved separately.

Conditions: This approval is only applicable to the type/model of aeronautical product specified therein. Prior to incorporating this modification, the installer shall establish that the interrelationship between this change and any other modification(s) incorporated will not adversely affect the airworthiness of this modified product.
