

SUPPLEMENTAL TYPE CERTIFICATE

EASA.IM.R.S.01365

This certificate, established in accordance with Regulations (EC) No 1592/2002 and (EC) No 1702/2003 and issued to:

Paravion Technology Inc
2001 Airway Avenue
80524 Fort Collins
CO 80524
United States

certifies that the change in the type design for the product listed below with the limitations and conditions specified meets the applicable type certification basis and environmental protection requirements when operated within the conditions and limitations specified below:

Original Product Type Certificate number: *TCCA TCDS H-92*

Manufacturer: *Bell Helicopter Textron Canada Ltd.*

Model: *Bell 407*

Original STC Number: *FAA STC SR00574DE*

Description of Design Change:

Installation of 407FL-100 FADEC/Check instrument auxiliary annunciation system.

Associated Technical Documentation:

- DL-407FL-100 revision A dated 7 September 2004 or later approved Revision – Master Drawing List.
- PR-407FL-100M revision Original dated 26 January 2005 or later approved revision – Rotorcraft Flight Manual Supplement.
- PR-407FL-120M revision 1 dated 7 September 2004 or later approved Revision – Instructions for Continued Airworthiness

Limitations and Conditions:

Prior to installation of this modification the installer must determine that the interrelationship between this modification and any other previously installed modification will introduce no adverse effect upon the airworthiness of the product. The installation of this modification by third persons is subject to written permission of the approval holder.

This certificate shall remain valid unless otherwise surrendered or revoked.

For the European Aviation Safety Agency,
Date of Issue: 6 September 2007
